THE PLANT FLOOR

The Plant Floor is the heart of the action. With high ceilings and natural light in an industrial setting, this spot makes for a unique canvas for your event, day or night.

The Plant Floor caters for a minimum of 250 guests. It can be transformed for performances, movie nights or a unique dining experience.

THE VOID

The Void is the north-east entrance on the ground floor spilling out onto Bowden Park.

A perfect area for champagne and canapes before heading upstairs, or as an event space in itself, and an excellent photography option with the beautiful brick wall.

LEVEL 2

UPPER LEVEL

THE BALCONY BAR

The Balcony Bar is a diverse modern space suitable for long lunches, special events or corporate functions.

This light-filled indoor and outdoor space boasts a 180° view over Bowden's Village Green

If you're expecting more than 150 guests, why not extend onto the void, the East Mezzanine or the West Mezzanine!
